I like that outfit, the zippers' pinchin'
But if you want it any tighter we could cinch it
Dress up in leather, wear every color
I'm going loco-co with sequins in the summer

So, come twirl your dresses around
Lift your cotton socks on
And turn your cameras on
Now for the fun...

While I light a fire in your new shoes
If you should smile, look so surprised
While I light a fire in your new shoes
Look out that your soles don't burn to the floor

I light the fire...
I light the fire...

Buttons are busted, we're decorated
We make an ornament with gold and silver plating
So what's the latest? We raise a fever
We're just all red inside, that's all there is to see
here

Yeah, we're red inside, we're all red inside
And the leg bone's connected to the one in the thigh
We are red inside, we're all red inside
And the leg bone's connected to the one in the thigh

So, come (cuh-cuh-cuh)
Twirl your dresses around (uh-uh-uh)
Lift your cotton socks (suh-suh-suh)
Turn your camera on (oh-oh-oh)

While I light a fire in your new shoes
If you should smile, look so surprised
While I light a fire in your new shoes
Look out that your soles don't burn to the floor

While I light a fire in your new shoes
If you should smile, look so surprised
While I light a fire in your new shoes

Look out that your soles don't burn to the floor

While I light a fire...

I light a fire...
