i could stick around, get along with you  
hello  
it doesn't really mean that im into you  
hello

you're alright but im your darling to enjoy the party  
don't get too excited 'cus thats all you get from me  
hey

yea i think your cute but really you should know  
i just came to say hello  
hello

im not the kinda girl who'd mess up with you  
hello  
imma let you try to commence with you  
hello

its alright im getting dizzy just enjoy the party  
its ok with me if you dont have that much to say  
hey

kinda like this thing but there's something you should  
know  
i just came to say hello  
hello
