"My Things"

My baby's got the
stuff you like
That's right he's
mine now
Go and find
yourself a guy
Who satisfies you
Don't come over
and handle mine
Like it don't
matter
Take some of your
own advice
And let it die now
Don't fill your blue
jeans up with big
ideas
Haven't you got
someone else
waiting somewhere
Whose business is
it if you're two
timing
Go do it in another
place with another
man
Just get your
titties off my
things
(that's my things
don't touch my
things)
(that's my things
don't touch my
things)
Just get your
titties off my
things
(that's my things
don't touch my
things)
Hands off him

Now you want to
make it right
And I'm like
whatever
You've never been
a friend of mine
So why'd you
bother
I don't have the
kind of time just
to make you feel
better
So that you can
sleep at night
Beside whoever
Don't fill your blue
jeans up with big
ideas
Haven't you got
someone else
waiting somewhere
Whose business is
it if you're two
timing
Go do it in another
place with another
man
chorus
Better get a little
bit on the side
Makes no
difference if it's
not my guy
Just admit it you
were willing to try
So don't tell me
lies
You're no friend of
mine
You've got to get
a little bit on the
side
Makes no
difference if it's
not my guy
Just admit it you
were willing to try
So don't tell me
lies
You're no friend of
mine

You've got to get
a little bit on the
side
Makes no
difference if it's
not my guy
Just admit it you
were willing to try
So don't tell me
lies
You're no friend of
mine
