Time after time as we march side by side
Through the valleys of evil and the torturing souls
Night after night for the glory we fight
In A kingdom of madness and the tales from the old

Death by our hand for the higher command
As the darkness surrounds us hear the cries as they
fall
Fire burning steel and the tyrant will kneel
Hearts burning stronger with the power of the sword

Set sail for the glory, pray for the master of war
(Pray for the master of war)
Sunlight will fall by the wastelands, endless rise for the
heroes before

[CHORUS]

Cry thunder! Sword in his hand
Titans of justice, fearless we stand
Cry thunder! Strong in command
Blessed by the union, freedom of man

Reckoning day for the demons we slay
With the force of a dragon we will conquer them all
Chaos still reigns devastation and flames
For the ultimate glory when the legacy calls

March on through the hellfire blazing for the darkness
beyond
(Blazing for the darkness beyond)
Nightmare return of the thousands
Giving rise to the heroes once more

[CHORUS]

Unholy darkness in the eyes of broken dreams
Outside of the wasted and torn
A land of tears still remains
Soldiers of destiny calling
And the fallen will rise up again
Conquer the forces of evil and fight to the end

Cry thunder! Sword in his hand
Titans of justice, fearless we stand
Cry thunder! Strong in command
Saviour of nations, freedom of man
Cry thunder! Sword in his hand
Warriors defending, one final stand
Cry thunder! Strong in command,
Blessed by the union, freedom of man

Blessed by the union of man

Cry thunder!

Yeah yeah
