"Trough The Fires And Flames"

Visit "[Trough The Fires And Flames](#)" on MotoLyrics.com

On a cold winter morning, in the time before the light
In flames of death's eternal reign we ride towards the
fight
And the darkness is falling down and the times are
tough all right
The sound of evil laughter falls around the world
tonight

Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell bodies wasted on
the shores

On the blackest waves in history
We watch them as they go
Through fire, pain and once again we know

So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls

So far away we wait for the day
For the lights are so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!!!

As the red day is dawning
And the lightning cracks the sky
They raise their hands to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished from the time in the fallen land
To a light beyond the stars

In the blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight

And on the wings of a dream
So far beyond reality
All alone in desperation
Now the time is gone

Lost inside you'll never find
Lost within my own mind
Day after day this misery must go on

So far away we wait for the day
For the lights are so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!!!

Woooooooah, Woooooooah, Wooooooooooooah
Woooooooah, Woooooooah, Wooooooooooooah

Now here we stand with their blood on our hands
We've fought so hard now can we understand?
I'll break the seal of this curse if I possibly can
For freedom of every man

So far away we wait for the day
For the lights are so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on!!!
