On a cold winter morning, in the time before the light  
In flames of death's eternal reign we ride towards the  
fight  
And the darkness is falling down and the times are  
tough all right  
The sound of evil laughter falls around the world  
tonight

Fighting high, fighting on for the steel  
Through the wastelands evermore  
The scattered souls will feel the hell bodies wasted on  
the shores

On the blackest waves in history  
We watch them as they go  
Through fire, pain and once again we know

So now we fly ever free  
We're free before the thunderstorm  
On towards the wilderness our quest carries on  
Far beyond the sundown, far beyond the moonlight  
Deep inside our hearts and all our souls

So far away we wait for the day  
For the lights are so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!!!

As the red day is dawning  
And the lightning cracks the sky  
They raise their hands to the heavens above  
As we send them to their lies

Running back through the mid-morning light  
There's a burning in my heart  
We're banished from the time in the fallen land  
To a light beyond the stars  
In the blackest dreams we do believe  
Our destiny this time  
And endlessly we'll all be free tonight

And on the wings of a dream

So far beyond reality  
All alone in desperation  
Now the time is gone

Lost inside you'll never find  
Lost within my own mind  
Day after day this misery must go on

So far away we wait for the day  
For the lights are so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!!!

Woooooah, Wooooooh, Woooooooah  
Woooooah, Woooooah, Woooooooah

Now here we stand with their blood on our hands  
We've fought so hard now can we understand?  
I'll break the seal of this curse if I possibly can  
For freedom of every man

So far away we wait for the day  
For the lights are so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!!!
