Lost in time, over the line  
This is the age of glory  
Your life for my life  
Dying in the night  
You want my energy

Agony  
When you are falling down  
Broken swords  
Can you feel my temptations?  
Look at my eyes  
My spirit flies in the sky

The word of the blade, to open the gates  
When the dark is descending  
The battle to win, slashing the skin  
You and your enemy!

Agony  
When you are falling down  
Broken swords  
Can you feel my temptations?  
Look at my eyes  
My spirit flies in the sky
