"Contact"

A cryptic equation
Of a pulsating light
An unearthly riddle from beyond the starlit sky

Message of unknown design
Heavenly but non-divine
Sent by intelligent minds
An echo through space and time

Fractal figures
Deciphered lines
Stellar visit is nigh

See the fire in the cloudless night
Bright reflections of lights in my eyes
Now we will see, will our contact be
Salvation from afar
A guiding star

A cold observation
By systematical eyes
A delivered transfigure
A calculated demise

Contact with alien life
Heavenly but non-divine
Communication with cosmic minds
They travelled through space and time

See the fire in the cloudless night
Bright reflections of lights in my eyes
Now we will see, will our contact be
Salvation from afar
A guiding star

Complete fulfillment of ancient signs
A swift destruction by higher minds!

See the fire in the cloudless night
Bright reflections of lights in my eyes
Now we will see, will our contact be

Destruction from afar
One final war...
