Show me, you will lead the way  
to a place where I want to feel this pain  
tell me, you will always be by my side  
and wait for this final moment

Close your eyes and hear my whisper  
longing for a sign  
cause I lived my life

I lived my life, lost all of my hope  
and I am fearing tomorrow  
where will I be  
trying to see  
but it's too late  
so now I know that I'm alone  
and it's too late for sorrow

trust me, this is my advice  
don't look back in time  
and try to realize  
so hold me  
and I will always be by your side  
and wait for that final moment

I close my eyes and hear your whisper  
calling for a sign

I lived my life, lost all of my hope  
and I am fearing tomorrow  
where will I be  
trying to see  
but it's too late  
so now I know that I'm alone  
and it's too late for sorrow

[Solo] [Morck]  
[Solo] [holmlid]

I lived my life, lost all of my hope  
now it's too late

I lived my life, lost all of my hope  
and I am fearing tomorrow  
where will I be  
trying to see  
but it's too late for sorrow  
Cause it's too late for sorrow
