I don't think I trust
You so far you wanted
Angels to die cause
Angels deserve to die

So far you wanted angels
To die cause angels deserve to die
Cause angels deserve to die

I don't think you trust
In my righteous suicide
I cry when angels deserve to die

Angels deserve to die
Angels deserve to die
Angels deserve to die

Angels deserve to die
Cause angels deserve to die

I don't think I trust
You cause angels deserve to die
And righteous suicide
And the land of the free

I don't think you trust
In my opinions of dying
Or fading away so I don't think
I trust you so far you die for me

Angels deserve to die

Cause angels deserve to die

Angels deserve to die

Cause angels deserve to die

Those are the 5 reasons
That angels deserve to die
Cause angels deserve to die
Cause angels deserve to die

Cause angels deserve to die
Cause angels deserve to die

For the land of the free

Cause angels deserve to die

Angels deserve to die

Cause angels deserve to die

Angels deserve to die

Cause angels deserve to die

For the land of the free

Land of the free
For the land of the free
Land of the free
For the land of the free

Cause angels deserve to die

For the land of the free
