The Black Deicide  
I'm merged into the shadows  
Into an endless silence  
Shut into the crypt of sorrow  
Submitted to an altar

Blood! Blood! Blood!  
I'm THE BLACK DEICIDE

A strange sensation  
Penetrate into my mind  
I want to escape  
I want to die

Blood! Blood! Blood!

I'm THE BLACK DEICIDE

My soul is dead  
My eyes are black  
I'm starting now  
My journey out

My shadow is different from me  
It reflects the image of Satan  
My eyes keep on watching  
The glorious image of Satan

Blood! Blood! Blood!  
I'm THE BLACK DEICIDE
