Alike many a male  
I got angst in my pants  
And goddamn it to hell  
It don't help if I dance

And you, you're not doing too well  
All the blogs are about you girl  
They caught you in the park after dark  
Giving head to a statue girl, how cruel

I didn't mean to do you no harm  
I just underestimated my charm  
And if I ever bothered to tell you the truth  
Oh, baby you're too much sugar  
For my sweet tooth forever

Didn't mean to do you no harm  
I just underestimated my charm  
And if I ever bothered to tell you the truth  
Oh, baby you're too much sugar  
For my sweet tooth forever

You're on your honeymoon  
And you're sending me notes  
You hope to see me soon  
You've got see wrapped in quotes

I used to find it funny to say  
What's your man got to do with me?  
But then I saw him downtown  
Placing bets on the hounds  
He was as big as a house  
We can't be messing around

I didn't mean to do you no harm  
I just underestimated my charm  
And if I ever bothered to tell you the truth  
Oh, baby you're too much sugar  
For my sweet tooth forever

Didn't mean to do you no harm  
I just underestimated my charm

And if I ever bothered to tell you the truth  
Oh, baby you're too much sugar  
For my

Every time we kiss  
It's like an inside joke, I always miss  
Our love is like a tug-of-war  
Don't touch me girl, can't hug no more

Oh, every time we kiss  
It's like an inside joke, I always miss  
Our love is like a tug-of-war  
Don't touch me girl, can't hug no more
