Listen to your body tonight
It's gonna treat you right
Listen to your body tonight
It's gonna treat you right

When I first met you
You was living in your day room
You was wrenching chachos
You was living on voodoo

Yes you was tryna hex me
All tellin' me I'm sexy
Yes always tryna text me
Or dance next to me

Singing, listen to your body tonight
It's gonna treat you right
Listen to your body tonight
It's gonna treat you right

Don't be scared to fall in love
'Cause you don't like heights
Listen to your body tonight
It's gonna treat you right

So laying in my bedroom
All talking 'bout some boom boom
But you really shouldn't assume
'Cause my man's coming home soon

You tryna have a rival
Best stickin' to your survival
Ain't tryna be libel
I swear it on the bible
I swear it on the bible

Listen to your body tonight
It's gonna treat you right
Listen to your body tonight
It's gonna treat you right

Don't be scared to fall in love

'Cause you don't like heights
Listen to your body tonight
It's gonna treat you right

Alright, hello?
Hello, this is your body
Well, do you want my body
I want to feel somebody on me

Alright, hello?
Hello this is your body
Well, do you want my body
I want to feel somebody on me

Alright, hello?
Hello this is your body
Well, do you want my body
I want to feel somebody on me

Alright, hello?
Hello this is your body
Well, do you want my body
I want to feel somebody on me

Listen to your body tonight
It's gonna treat you right
Listen to your body tonight
It's gonna treat you right

Don't be scared to fall in love
'Cause you don't like heights
Listen to your body tonight
It's gonna treat you right
