Looked out my window
What can you see?
Lots of beautiful holes
That think I'm ugly
If I never see you in my dreams
It's all a waste of time
That's all I have to say
I always wait for you
You just don't even care
If I was looking clear
You would still see me stare
I'm on my way to die
Just like you
It's all a waste of time
There's nothing left to do and I am

Gone
Drinking wine with my friends
Drinking wine with my friends

I'm living on borrowed time

Just like I'm not even there
All the traffic's gone
But it still feels like you are there
Let me know you one more time
Before I lay down and found out what it's like
And I am

Gone
Drinking wine with my friends
Take a ride to the end
Take a ride to the end

Every night and day
What am I supposed to do?
I'm on my way to town
I'm getting rid of you
Let me love you just like I do
It's all a waste of time
There's nothing left to do and I am

Gone
Drinking wine with my friends
Take a ride to the end
Take a ride to the end
Take a ride to the end
Take a ride to the end
