A throw your hands in the air

Be, I wanna be  
Just like you, what you do, I want to  
Bleed, I'm gonna bleed  
To belong, I give all that you need

I would give my life to get some rest  
But I'll do anything when Simon says

A throw your hands in the air  
Wave 'em around like you just don't care, yeah  
A throw your hands in the air  
Wave 'em around like you just don't care, yeah

Reap, I wanna reap  
Everything that you sow I will keep  
Creep, I'm gonna creep  
And I'll do it again and again and again and again

I would give my life to get some rest  
But I'll do anything when Simon says

A throw your hands in the air  
Wave 'em around like you just don't care, yeah  
A throw your hands in the air  
Wave 'em around like you just don't care, yeah

I can't sex you up, I can't sex you up, I can't sex you up  
A throw your hands in the air

I would give my life to get some rest  
But I'll do anything when Simon says

A throw your hands in the air  
Wave 'em around like you just don't care, yeah  
A throw your hands in the air  
Wave 'em around like you just don't care, yeah
