Deep into the shell, rankless the pain
Knee deep in yourself, wreck of the insane

You serve the shame
You serve the shame

Loss to fill, expose your will, use the child
Simple needs, perversities, abuse the pride

Loss to fill, I'll be your sin without name
Simple needs, perversities, serve the shame

Wallow in the deeds, unable to feel
Too late to repent, this mind must be sealed, yeah

You serve the shame
You serve the shame

Loss to fill, expose your will, use the child
Simple needs, perversities, abuse the pride

Loss to fill, I'll be your sin without name
Simple needs, perversities, serve the shame

You serve the shame
You serve the shame

Loss to fill, expose your will, use the child
Simple needs, perversities, abuse the pride

Loss to fill, I'll be your sin without name
Simple needs, perversities, serve the shame

Serve the shame
Serve the shame
Serve the shame

Serve the shame
Serve the shame
Serve the shame
Serve the shame
