A throw your hands in the air

Be, I wanna be
Just like you, what you do, I want to
Bleed, I'm gonna bleed
To belong, I give all that you need

I would give my life to get some rest
But I'll do anything when Simon says

A throw your hands in the air
Wave 'em around like you just don't care, yeah
A throw your hands in the air
Wave 'em around like you just don't care, yeah

Reap, I wanna reap
Everything that you sow I will keep
Creep, I'm gonna creep
And I'll do it again and again and again and again
I would give my life to get some rest
But I'll do anything when Simon says

A throw your hands in the air
Wave 'em around like you just don't care, yeah
A throw your hands in the air
Wave 'em around like you just don't care, yeah

I can't sex you up, I can't sex you up, I can't sex you up
A throw your hands in the air

I would give my life to get some rest
But I'll do anything when Simon says

A throw your hands in the air
Wave 'em around like you just don't care, yeah
A throw your hands in the air
Wave 'em around like you just don't care, yeah
