I can't see you when you're here
I can feel you when you're near

Hiding somewhere deep inside my head
Breathe my silent thoughts
Smell your breath
Somewhere near you soar

Saw your smile, left my soul to die

You can't make me do your deeds, no
Never gonna feel your greed

I can feel you're there between the lines
Faceless at the time
Wounded mind
Choose among the lies

Saw your smile, left my soul to die
Jesus Christ, please stab my eyes

I can feel you're there between the lines
Faceless at the time
Wounded mind
I choose among the lies

Saw your smile, left my soul to die
Jesus Christ, please stab my eyes

Jesus Christ, Jesus Christ
