So I lie in my stench  
Decorated in my self  
Scarcely here, mind astray  
Myself hate, crawl away  
I still burn for you

I saw you bleed  
Same mistake I made again  
Made again

Who am I? Faceless mask  
All what's left, cracked like glass  
I still burn for you

I saw you bleed  
Same mistake I made again  
Made again

So if I burn  
Would have done it all the same  
All the same

So I lie in my stench  
Decorated in my fence  
I still burn for you

I saw you bleed  
Same mistake I made again  
Made again

So if I burn  
Would have done it all the same  
All the same

I saw you bleed  
The same mistake  
Don't fade away into the gray

Don't fade away into the gray  
Don't fade away into the gray  
Don't fade away into the gray

Don't fade away into the gray  
Don't fade away into the gray  
Don't fade away into the gray
