Yeah, it's Drizzy baby  
I'm ready  
Alright, J Prince I got em  
Look, I'm really the heir  
To the fortune of a millionaire  
Talking money with me's really unfair  
At the border like I swear  
I have nothing to declare  
I am nothing like these other niggas coming out this  
year  
Even if you never met me  
You can tell I'm on that same shit  
Loyal as a motherfucker  
Nobody be saying shit  
Dope boys know me  
Cuz I often speak they language  
So well spoken  
Man I should've went to Cambridge  
Y.O.U.N.G hoe  
Women they can be so  
Motivated by money  
That's why they be on me foe  
Ask your favorite rapper homie  
Guarantee that he know  
If he is the one  
I'm the zero.  
Damn  
Please comprehend  
I am a surf club general  
I'm mister consistent  
I have never come in intervals  
You don't wanna be caught in the middle  
Like a centerfold  
I'm committing suicide  
If we're ever identical  
Click-Clack-Pow  
How you like a nigga now  
In control of my domain  
They can do what I allow  
And I know Toronto miss me  
Imma be home in a minute  
That's my city

And I run it  
You just run around in it  
They see me out in person  
And say I ain't heard you sing yet  
The world is my playground  
Don't fuck with my swinggg-set!  
We get to pitching  
And that's when it gets to piling  
I'm calling your bluff  
Don't act like you can't see me dialing  
I'm in  
Low-Cut Louies  
With them hard denim jeans  
And a beige jacket  
Hands down the best in my age bracket  
Holla at me!
