They getting foul on the star

But it's all eyes on me like I'm coppin some vows for the

Get it guess not picture me not strive

To land in the top ten slip in the top five

Same thing in the top four trust I'm hot boy

Maybe even the top three Trey you got me

Now a day I peep they intrests

Specialy when lifes bringing them pain and lately they  
been stressed

Money making brothers should take notes

See broke niggas is the problem and us is the scape

Some body get the waiter they need a second plate a

This knowledge if you aint got it you could catch it later

My money then lovers seperate for I commit the date

I put a split in the middle then I seperater

[CHORUS: TREY SONGZ]

It aint about the rims on my truck

Aint about the ice on my watch

Aint about teh coop of my truck

Baby it's about the Game

[VERSE 2:]

Ridin' low

Layed back in the seat when I creep

That's just how I roll  
With some fresh nice ones on my feet  
That's it goes  
And I'm tryin' to find a chick I can meet who ain't about  
the dough  
Cause it ain't all about that no more

[CHORUS: TREY SONGZ]

It aint about the rims on my truck  
Aint about the ice on my watch  
Aint about teh coop of my truck  
Baby it's about the Game

It aint about the shoes that I've got  
Aint about my dough or my rocks  
Ain't the life I live, it don't stop  
Baby it's about the game

[VERSE 3: TREY SONGZ]

When you ask why I'm hustlin' in the streets that's just  
who I be  
Yo, I live for the dough, for the flow, for feelin' free  
Ain't too many other dudes you can choose to get this  
luxury  
But without it all I'm still about the game

The haters wanna hate, but it ain't nothing  
Because the ladies choose to love me (they love me for  
what I do)
