I said tell me what's really going on
Drizzy back up in this thing I'm ready
What's happening
Gone for surgery but now I'm back again
I'm bout my paper like a muh fuckin scratch and win
World series attitude, champagne bottle life
Nothin ever changes so tonight is like tomorrow night
I will have a model wife
Yo bitch is as hot as ice
Every time you see me I look like I hit the lotto twice
(Drake you got em Right)
Yeah I got em Bun
I love myself cuz I swear their life is just not as fun
Nik's got the weed, Hush got a gun
CJ got my credit cards and a lot a ones
Yeah, I'm in the city of the purple sprite
Someone tell Mahliya I'm on fire she should work
tonight
Call up king of diamonds and tell China it be worth the
flight
I be at my table stackin dollars to the perfect height
Work somethin, twerk somethin bases
She just tryin make it so she right here gettin naked
I don't judge her I don't judge her
But I could never love her cuz to her I'm just a rapper
and soon she'll have met another
That's why me and Lil Jazz bout to spazz can ya keep up

I'm just feelin sorry for whoever gotta sweep up
Yeah, bills everywhere, Trill everything, and Drake just
stand for Do Right And Kill Everything
I love Nicki Minaj
I told her I'd admit it
I hope one day we get married just to say we fuckin did
it
And girl I'm fuckin serious I'm wit it if you wit it
Cuz yo verses turn me on and yo pants are mighty
fitted
Uh, damn, I think you caught me in a moment
Like I catch em stealin flows cuz I swear I never loaned
it
And life ain't a rehearsal, the camera's always rollin

So come and get a portion of this money that we blowin
Cuz its on, you should come with me
If you got some time this is where you wanna be
We could go all night long
This could last all night long
Bet it's goin down
We gone make it right
This is what they mean when they talk about the life
We could go all night long
This could last all night long
I'm wit it if you wit it
