Who be, in a Japanese restaurant, eating sushi
Drinking saki, it's me, and my mami with the doobie
Cutie, smellin like Tiaka, half-Phillipine thing
For now, let's call her Suki, got me this booty bangin
Properly, in Versace pants, cocky bow-legged stance
A thing of beauty, watch me, body crazy
Tits Firm like Nature, Foxy, Nas and AZ
Truly reason to bug the toolie and keep laced in jewelry
watch me
Girlie tried to lure me and lock me you gotta get up
early
Cause who's gettin played is not me
"Surely you jest," she said, "if you thought I was purely
out for the bucks you woulda bucked stuck and
dropped me"
I said maturely, "You right
but better safe than sorry, but for the lovebirds
can move to the suburbs, I need to double check your
story
To make sure that you one of a kind
And you deserve to be my Sunshine"

Chorus: Babyface (variations not listed except for first time)

Touch me with, a heart of gold (uh-huh)
I can't go a day without my sunshine (uh-huh) ahh-haaa
(say what? uhh)
Touch me with, a smile that glows(yeah)
I can't go a day without my sunshine, sunshine (uhh,
uhh, uhh)

[Jay-Z], (Foxy Brown)
A year gone, and she seein things most chicks only
hear in songs (uh-huh) keep in gear phenom
Lots of ice in the air, round the neck the charm (that's
right)
Risked a four to life bid to keep that shit on her arm
Keep her impressed at all times, cats would love to
creep (uh-huh)
just to say they crept with mine, slept with mine, she

said

[Foxy Brown], (Jay-Z)

I ain't deaf nor blind, niggaz stressin
Hatin cause they less than mine, they wanna sex me
We chose each other, you actin like you chose me
They oppose you then, they oppose me
We could creep at a low speed, the gat in the hosiery
Double cross you they got to triple cross me
(I'm thinking that's the way it's supposed to be) Uh-huh
(One more thing:
If I ever go broke, would you hit the block for me?) Fo'
sho'
(She replied, eyes open wide) Uhhhh
(Put that on everything?) I put that on my life
(Right)

Chorus

[Jay-Z], (Foxy Brown)
If I needed would you, give me your kidneys? (Uhh,
uhh, fo' sho')
Catch a case you catch it with me? (Mmm, fo' sho')
Pawn your jewlery to come get me? (You better know)
Catch me with a chick, forgive me? (Uhh, now that, I
don't know)
They spread rumors, will you defend me, tooth and
nail? (Uh-huh)
They try to frame me, will you be there, till the truth
prevail? (uhh)
(But would you be the same dude, when you blow the
roof off sales
that you was, throwin rocks, at the Roof at 12, nigga?)
This is the truth I shell, till the loot gets frail
I put this on my nephews, from the smallest to the pale
Me and you ballin, from the heavens, or the hell
Won't let you hit the ground if I'm fallin myself
Now picture me leavin you in this cold world, rollin for
delf
It's me and you in this old girl, we takin the belt
From the lows, to the highs, to the foes we shine
Just continue to be my Sunshine (uhhh)

Chorus 2X
