[Slakah:]

Lady, You Say I Stay In The House Til Four
We don't Even Go Out No More
It's Always The Same Eh
Always Complainin
It's Obvious Baby
I Guess You don't Watch The News
You See there's A Lot To Lose
Cuz We Got A Baby
And People Are Shady

[Bridge: Drake]

My Generation Is Changin
Aside From The Fact
The Dealers Have Customers They Provide With The
Crack
Front Of The Buses Taken
And We Denied From The Back
You Can Die Where From, Or Die Where You At

[Drake Chorus]

Don't Put It Past Them
I don't Think That They Understood
My Friends They don't Even Sit In The Class When They
Should
He Can Come Pick You Up
If Your Dads In The Hood
Not Bad Meaning Bad, But Bad Meaning Good Good
Good

[Slakah:]

Lady, Somebody Shot Up The Place Right By
Where I Work And I Think They Might
Be Coming For Me Next
Lend Me Ya Kleenex
I'm Tellin You Baby
I Think I'm A Bout To Cry
Still Gotta Go Out Tonight
Cuz I Gotta Feed You
I Hope That I See You Again... Again
Hope That I See You, See You

[Chorus: Drake]

Don't Put It Past Them

I don't Think That They Understood

My Friends They don't Even Sit In The Class When They
Should

He Can Come Pick You Up

If Your Dads In The Hood

Not Bad Meaning Bad, But Bad Meaning Good Good
Good

[Verse: Drake]

Lately I don't Know About The Friends That I Hang With
I'm Nervous Round My Boys, It Depends On Their
Anguish

Depends On If They Saving All The Tops On Pepsi

With Dreams Of Seeing Girls Topless On Jet Skis

Depends On What They Do To Achieve That

Robbing R&B Singers, 'specially If They Know Where
The Keys At

'Specially If They Know Where They Girl Live

Get The Info, Leave With Ya Money Man, that's How The
World Is

That's How Niggas Puttin They Dirt Down

Streets Are Seedy I Call Em Sesame... Berkstown

'Specially When These Young'ns Get Turned Down For
Work Opportunities

Next Week Same Place'll Get Burnt Down

Coincidink? Not Likely Not A Chance

How Can We Be So Aware Of These Problems And Not
Advance?

At Least Start Put A Bid In, it's Hard Just To Fit In

A Lot Of People Only Play They Part When They Spittin

But I don't Think That They Understood

They Using This Darkness For Penetration In The Hood

I Took The Ivory Way In And Yes I'm Glad That Keenan
Could

Not Bad Meaning Bad, But Bad Meaning Good Good
Good

Not Bad Meaning Bad, But Bad Meaning Good

Not Bad Meaning Bad, But Bad Meaning Good Good
Good
