### "Beyond This"

(feat. Kanye West)

*[Chorus]*

I gotta be honest, I think you know  
We're covered in lies, and that's okay  
There's somewhere beyond this, I know  
But I hope I can find the words to say [x2]

Yeah, normally, it ain't a question  
We would cross paths like an intersection  
But she just too far away for affection  
So I pray that we never lose the connection  
'Cause I remember Stacy, she probably hate me  
She used to threaten she had a man to replace me  
She talked that shit, I just hit the escape key  
And then she'd get mad and want to go and erase me  
And I remember Amy, she used to AIM me  
She stayed up late, and used to blame me  
She say I'm too wild, she wanna tame me  
I told her 'Even Photoshop couldn't change me'  
But you-you-you You got me open, girl, why lie?  
We ain't even tryin' to settle, so why try?  
End the night with a kiss and a bye-bye  
No strings attached, your love is so WiFi

*[Chorus]*

I gotta be honest, I think you know  
We're covered in lies, and that's okay  
There's somewhere beyond this, I know  
But I hope I can find the words to say

My freak girl tell me now she a christian  
My white girl wanna move back to Michigan  
I'm pullin girls off the bench like a "sixth-man"  
I'm in the club doin the same ol' two step  
While Omegas doin the same ol' que step  
I had my money on my mind I was thinkin green  
She a pledge, AKA she was pink and green  
I wanna good girl, she want a gentleman  
We sayin' the same thing like a synonym  
I wasn't really spittin game I was scimmigin

My pimpinship so hard it needs censorship  
I'ma chicagoan till Chicago ends  
Till we blow like Chicago wind  
I don't know what's better, gettin laid or gettin paid  
I just know I'ma gettin one, the other's gettin away

*[Chorus]*

I gotta be honest, I think you know  
We're covered in lies, and that's okay  
There's somewhere beyond this, I know  
But I hope I can find the words to say
