Chorus:

I might fly and lose it all  
I'm a cannonball  
Maybe I'll walk away  
Maybe I'll walk away  
Set me up and light me off  
I'm a cannonball  
Maybe I'll walk away  
Maybe I'll walk away  
CANNONBALL (I'm a cannonball)

Verse:

Like my big bro say I'm going in  
Olympic pools of money, I'm just glad I learned to swim  
Cannonball bitch, I hope your diving board sturdy  
And I hope when dinner's cold my niggas do not  
dessert me  
And these haters like damn 'em  
I gave a lot of women their first ride in the Phantom  
And yeah I got a deal now, and I'm secure with it  
And yup my life is so exciting i get bored with it  
I'm the best one out of my peers, and everybody pray  
I'm running out of ideas  
Past my mosley's, its all so bright  
And I'm the result of when it all goes right  
So many pictures man the flow is a callouge  
But critics have a hard time pointing out the flaws  
All this slick talk I just hope I dont fall  
Right out of the sky, through the roof of your garage  
I'm a
