wat u mean i aint call u,i hit u when i landed  
im waitin in my hotel room ,  
seems like we are arguing more its getting less  
romantic  
i think shell be able to tell soon,  
yeah i fuck u right i will ,i fuck u right i will  
i fuck u like no one has eva eva made u feel  
i mean its part of our relationship amazing still  
i might just put up with the arguing and stay for real  
u lookin bad ,gurl for goodness sake  
u with all those curves nd me without no breaks  
ooo...im willin to work it out how ever long it takes you

you feel like you miss those happy days well that  
makes twooo of us...  
our timing is wrong, yo frens always tieing up every  
line on yo phone yeah  
but tell dem niggas that youll always be my misses  
nd da hardest part about dis fuc\*\*\* bissness is mindin  
your own  
nd every time i try and break it off..we just yell until we  
are tired nd then i break u off  
wats all dis fightn for lets get pass it now...  
even wen i throw dem deuces u just sendem back  
around
