[The DREAM:]

I wanna see whats under there. Baby

[DRAKE:]

Who's that peeking in my window? (UHHH)

You should let some more skin show?

And if one of these websites get the info

We can work it out, no Nintendo

I just hit Alt...Tab

Switchin' in-between two convos

I should just call cabs

And bring em both here to the condo (Yeah)

Normally, it ain't a question

We would cross paths like an intersection

But she just too far away for affection

So I pray that we never lose the connection

'Cause I remember Stacy, she probably hate me

She used to threaten she had a man to replace me

She talked that shit, I just hit the escape key

And then she'd get mad and want to go and erase me

I remember Amy, she used to AIM me

She stayed up late, and used to blame me

She say I'm too wild, she wanna tame me

I told her 'Even Photoshop couldn't change me?

But you-you-you You got me open, girl, why lie?

We ain't even tryin' to settle, so why try?

End the night with a kiss and a bye-bye

No strings attached your love is so WiFi

Girl girl girl girl girl girl

She's my digital girl girl girl girl girl girl girl

She's my digital girl

[Jamie]

My homies never see you but I always got you right  
here for me (yeah)

Tucked in my Louis computer bag

Wherever you are I could be

I type you a message full of X and O

You shoot me a video and then upload

Even though I hate this distance, it keeps me persistent

One day I'll have your ass up in this kitchen

My digital girl girl girl girl girl girl

She's my digital girl girl girl girl girl girl  
My digital girl

[The Dream:]

Not a day goes by shawty  
Without you on my mind shawty  
Donna Karen underwear, baby  
(I swear you have nothing to worry about.  
It's easy look, lemme explain)  
I wanna see what's under there, baby

[Kanye]

When you see the picture cut off your face  
And cover up the tattoo by the waist  
Let the MC search till I reach third base  
And when I get home imma hit home plate  
Wait, could this be considered our first date  
'Ye the picture just looks so trash  
Your body make a baller spend ca-cold cash  
Plus every good girl wanna go bad  
And Playboy mags like Stacy Dash  
Or Kim Kardash and be a lady aaaat it  
You know what's the crazy thing  
Some girls?ll make you wait longer than AC green  
Passion of the Christ, 33 year old virgin  
That's disrespectful baby don't encourage him  
I like them brown yellow Puerto Rican or Persian  
Dashiki kimono or turban  
They say I dress white but my swag so urban  
Tryin' my look  
I hit her with the text said baby you up  
Question mark  
And she respond yes-s-s-i-r??..R?..Hard?Hard

Girl girl girl girl girl girl girl  
Oh she is my digital girl girl girl girl girl girl  
My girl, my girl, my girl etc?  
Dream, Drizzy, J Foxx And Yeazy  
How do it feel to run the world?  
Rhetorical question
