DDDDamn what did i consume  
something spinning fast either me or the room it bet  
you its the room cause i dont do no drugs or maybe its  
that tron cause i do have a buzz baby either way im  
thowd and im on a mission so if your ears a virgin i  
advise you not to listen  
cause this shit here isnt kosher and this shit isnt  
christian this that motherfuckin heat that you can find  
up in a kitchen baby holla at yo nigga i got that shit for  
low ok i dont but garentee someone i know  
wait let me slow it down down im getting ahead plus its  
gettin hot and im a take a seat instead stead Im lucky i  
aint dead dead im on a roller coaster ride yall we all of  
age and i aint got nothing to hide yall and in this game  
im a title in a tides small so drop me in and i realease  
just like a time bomb  
every record that i doneee the station played it, this the  
city that i've run its the shit that i created, they tellin me  
im the one and i havent even made it  
maybe im hearing things cause im feelin like im faded  
Im feelin like im faded faded fa faded fa faded faded  
fa faded fa faded faded fa faded fa faded Im feeling  
like im im faded faded fa faded fa faded faded fa  
faded fa faded faded fa faded fa faded im fellin
