Go, go 'head

Go, go, go, go, go, go 'head
Go, go, go, go, go, go 'head

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?

You getting ready so I know we gon' be here awhile
In the bathroom, flat irons and nail files
Spending hours in salons on your hairstyles
In the mall steady racking up the air miles

Hit the gym, step on the scales stare at the number
You say you dropping 10 pounds, preparing for
summer
And you don't do it for the man, men never notice
You just do it for yourself, you're the fucking coldest

Intelligent too, ooh, you're my sweetheart
I've always liked my women book and street smart

Long as they got a little class like half days
And the confidence to overlook my past ways

Time heals all and heels hurt to walk in
But they go with the clutch that you carry your lip-gloss
in
And look, I really think that nobody does it better
I love the way that you put it together

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?

Well, aren't you a breath of fresh air?
From all these superficial gold digging bitches in here
They get a baller, think that they ain't got to pick a
career
Guess they plan on sucking dicks until some millions
appear

Like voila, you do it right, he just might buy you a car
Unless you play these suckers just like B.O.B play the
guitar
Now here you are with your girls having drinks at the
bar
I say I'm buying, you decline, that is kinda bizarre

Independent with the demeanor of an R 'n B singer
Make it ring finger, M3 beamer
Champagne Range, triple white Jag
Closet full of brand new clothes and handbags

Alexander McQueen, Prada, Gucci, Chanel

D&G, BCBG, Versace, Louie and Bebe
Ya ain't needy, greedy or easy as these other breezies
Who fuck for bottles of Riesling or beaus that beg
zeebee
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?

Atlanta girls, let me see your hands
Wave 'em at them bitches hating on you with their
friends
Girl, you got it, let 'em know everything big
Nails done, hair done, everything big

And my NY girls, let me see your hands
Wave 'em at them bitches hating on you with their
friends
Girl, you got it, let 'em know everything big
Nails done, hair done, everything big

And my L.A. girls, let me see your hands
Wave 'em at them bitches hating on you with their
friends
Girl, you got it, let 'em know everything big
Nails done, hair done, everything big

And my TO girls, let me see your hands
Wave' em at them bitches hating on you with their
friends
Girl, you got it, let 'em know everything big
Nails done, hair done, nails done, hairs done

Say go Cinderella, go Cinderella

Orgasm blush, lipstick and concealer
Devil in a tight dress, girl, you a killer
And ain't nobody realer and ain't nobody realer

Go, go, go, go, go
Go, go, go, go, go, go
(Showtime)
As we proceed

5 and a half in boys, ass is off the hook
Cinderella 'bout to lose the glass off her foot
And when I find it, is when I find you
And we can do the things we never got the time to

Better late than never, but never late is better
They tell me time is money, well, we'll spend it together
I'm down for whatever, you just lead the way
We go to dinner, you all don't even look at me to pay

Mature women with more than me were the first to
tempt me
And Jason had this girl Tammy with a purple Bentley
How she got it, I ain't never get to ask
I just knew that she was fine like a ticket on the dash

Yeah, but shout out to the homeowners
The girls that got diplomas and enough money to loan
us
A little something extra, should we ever need it
If it sounds like you, then let me hear you repeat it

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?
Oh, you fancy, huh?

Nail done, hair done
Everything did
Nails done, hair done
Everything did

Oh, you fancy, huh?
