(CHORUS)

She can make it go, bring it high ,  
bring it down, take it low, then make it go.  
She can make it go, she start off going fast but then  
she take it slow(take it slow) (make it go)(take it slow)  
she make it (make it) , then it sound like (sound like) x4  
(VERSE 1)

She does it to me like, I never felt it,  
I can't help it , helpless melting in her presents,  
I am selfish, you can tell this she can tell me anything  
, I will buy it if she sells it ,  
told me her name heaven but she hotter than hell is  
, love lockdown, I'll be a felon,  
wait she love to get her pussy ate like Ellen ,  
1, 2 you can come, she can come too,  
you gone come she gone come too,  
pass out and do it all again when we come too,  
we can kick it like a shoe,  
kung foo , she make it stop ,  
pop like the drum do , these bitches typical , you show  
me something new,

(CHORUS)

She can make it go, bring it high ,  
bring it down take it low then make it go.

She can make it go, she start off going fast but then  
she take it slow then make it go.

I tell you any lies, and you believe them all ,  
I can see it in your eyes,  
I take you down like(down like)me without no money

on inside a town flight and even have a driver pick
