[Verse 1: Drake]

Look

I know girls love BeyoncÃ©

Girls love to fuck with your conscience

Girls hate when niggas go missing and shawty you
ain't no different

These days it's hard to meet women

Feel like my love life is finished

I've been avoiding commitment

That's why I'm in this position

I'm scared to let somebody in on this

No new friends, no no no

You know how this shit go

You got your fair share of admirers that call your phone

You try to act like it's just me, but I am not alone

But if you're alone then, say my name, say my name

[Hook: James Fauntleroy]

Say my name, say my name

When no one is around you

Say, "Baby, I love you"

If you ain't running games

Say my name, say my name

You actin' kinda shady, baby

Why the sudden change?

Say my name

Say my name

Say my name

Say my name, say my name

If no one is around you

[Verse 2: Drake]

Yeah

Uh

Say my name, say my name

'Cause those other men are practice

And this ain't no time for actin'

And this ain't no time for games

And this ain't no time for uncertainty

And this ain't no time for locking your phone and not
coming home and startin' some shit when I'm in the

zone
This is why I've been saying
No new friends, no no no
You know how this shit goes
This is not four years ago
Time escapes me
Now forget how it felt when this shit move slow
I come through in whips that make a young boy take
the long way home
All my young boys 'round me saying, "Get money and
fuck these hoes"
Where we learn these values? I do not know what to tell
you
I'm just trying to find a reason not to go out every
evening
I need someone that'll help me think of someone
besides myself
I need someone I leave through the front door with
'Cause we don't wanna hide no more
Plus you're not shy no more
Neither of us wanna play the side no more
No, I'm not alone
Even though nothing was the same
Let me get your ass alone
Let me make you say my name
Say my name

[Hook]
