[feat. Drake & Rock City]

[Intro:]

Yeah (Word!)

Yeah man (What?)

(Love me) It's Drizzy baby (Mayday!)

You know what it is, from T-Dot to the world

My man Repstar (Repstar!), T-Williams (Yeah!), Boi-1da

[Drake:]

Look,

I know you miss me, go on admit it girl

Cause everything he doing for you, I done did it girl

So call me up late, I know you with it girl

I get a rush from it, knowing you commited girl

Beach front properties, panoramic views

You could probably catch him in Atlanta with his crew

Plus his whole vibe like candles and a pool

Cause he's hot, but you notice how he handles it is cool

The name is Drake dawg, I came here solo

The smell is Dolce, the drawls is Polo

The DJs Future, the clothes is Ransom

The cut's from J-Mac, ya boy is handsome

Pay me now, nigga cash advance him

Y'all don't wanna see me throw no tantrum

We blowing up this year, it's called expansion

Now everybody get to dancing to this, ah

[Chorus:]

I'm trying to make sure that you feel right

Cause you already know what it be like

Well dressed for the evening

Party hard like we ain't leaving

Now let's have a toast to the good life (Uh, huh)

Go ahead and keep drinks coming all night

Shoutout to the DJ, now please let me down here  
tonight

The way this make you feel, say oohhh

Tonight, the way

This make you feel, say oohhh

Toast to the good life

[Rebstar:]

My lawyer J-Money, but it's not important  
She seen the videos, but she don't know my story  
Army greens sneaks, homie GI Jordan  
On another time zone, we party 'till the morning  
My man looking up to me, he 'bout to sneeze  
And she treating me like I be New Year's Eve  
Counting down the seconds untill she sees me (5, 4, 3,  
2)  
One time for the women that wound up with Megan Fox  
Two times for the ladies that never use Photoshop  
Them other girls, they so vanilla  
You gotta suit of Je ne sais quoi  
They need to get their French up to part  
And, uh, pardon me for asking  
Anything I want, I must have it  
I make it happen, poof, magic

[Chorus:]

I'm trying to make sure that you feel right  
Cause you already know what it be like  
Well dressed for the evening  
Party hard like we ain't leaving  
Now let's have a toast to the good life  
Go ahead and keep drinks coming all night  
Shoutout to the DJ, now please let me down here  
tonight  
The way this make you feel, say oohhh  
Tonight, the way  
This make you feel, say oohhh (Rock City!)  
Toast to the good life...

[Rock City:]

To bring life, the infatuation  
I'm only a figment of your imagination  
When I talk, it's no exaggeration  
You won't find another dude quite like me  
(Uh, uh) Me and my everything crew  
Everything's big, everything's new  
Drinks on me, so what you wanna do?  
Chill right here and head bop to the groove  
Yeah, mine is VI for life  
So if you want, we can fly to the VI tonight  
Saint Thomas and Saint Royce, Saint John is nice  
So girl, just let me know which one you like  
(Uh) My plan's not to live it up this year  
That's why I shine from my neck to my wristwear  
We off, up in the party like we live here  
Lights on, everybody's gone, but we still here, yeah

[Chorus:]

I'm trying to make sure that you feel right  
Cause you already know what it be like  
Well dressed for the evening  
Party hard like we ain't leaving  
Now let's have a toast to the good life  
Go ahead and keep drinks coming all night  
Shoutout to the DJ, now please let me down here  
tonight  
The way this make you feel, say ohh  
Tonight, the way  
This make you feel, say oohhh  
Toast to the good life
