[Intro]

Oh yeah, oh yeaah

Uh uh, oh yeah, oh yeah

[Drake - Verse 1]

Summerâ€™s mine

I swear I said about a hundred times, Iâ€™mma need it  
back

I wish that you would come and find me

Just to tell me that I havenâ€™t changed, girl I needed  
that from you

Iâ€™m getting money just taking care of me girl

Iâ€™m spending time just taking care of me right now

Iâ€™m getting money just taking care of me girl

Should I be tired of taking care of me right now?

[Hook]

But the good ones go

The good ones go, if you wait too long

But the good ones go

The good ones go, if you wait too long

So you should go

You should go, before you stay too long

[Verse 2]

Donâ€™t you go getting married, donâ€™t you go get  
engaged

I know youâ€™re getting older, but donâ€™t have no  
time to waste

I shouldnâ€™t be much longer but you shouldnâ€™t  
have to wait

Canâ€™t lose you, canâ€™t help it, Iâ€™m so sorry,  
Iâ€™m so selfish

Uh, uh, Iâ€™ve been chilling in the city where the  
moneyâ€™s thrown high and the girls get down

In case youâ€™re starting to wonder why my new  
shitâ€™s sounding so H-town

But when itâ€™s all done baby Iâ€™m yours if  
youâ€™re still around

She knows, she knows, she knows

[Hook]

But the good ones go

The good ones go, if you wait too long

But the good ones go

The good ones go, if you wait too long

So you should go  
You should go, before you stay too long
