Drake :  
Do I Do I Do I Do  
Uhh Please Put Away The Cameras  
Cause We Just In The Club Gettin MC Hammered  
And God Forbid We Ever Trade Our Wisdom For The  
Glamour  
And I Know I'm Just A Boy That A Woman Can Make A  
Man Of  
So Make One I Know That You Can Make Me One  
I Just Want A Woman That Looks Thirty When She's  
Eighty One  
Please Don't Give It All Away I Hope That You Can Save  
Me Some  
The More They Pass Their Heart Around The More  
Jaded That They Become  
But This One Special So I Make Sure That My Suit'll Fit  
The One My Daddy Wore in June of Eighty Five I'm Too  
Lagit  
I'm Just Trynna Get Her In The Mood And Have Her  
Doin All The Things She'd Only Do When She Get  
Married  
So Let's Do this Sh%t  
Tell The Reverend All That We're Missin Is His Blessin  
Cause Before She Pop The P\*ssy  
She Need Me To Pop The Question  
So We Exchange Vowels  
They Clap We Take A Bow  
And She'll Be Doin Tricks For Daddy When We Take It  
To The House
