RIP to the girl you use to see.
Her days are over, baby she's over.
I've decided to give you all of me.
Baby come closer, baby come closer;
I'm ready for you.
Kill 'em all, switch it up.
Put it on, zip it up.
Let my perfume soak into your sweater.
Say you'll be here soon, the sooner the better.
No option for you saying no.
I run this game, just play your role.
Follow my lead, what you waiting for?
Thought it over and decided tonight is the night.

(?)
Yeah I hear you talking.
Don't know who you tryna flatter.
I got my mind made up.
I-I I'm ready for you.
I'm in control but would you be in the main?
You don't seem to understand.
I-I I'm ready for you. (x3)
So keep thinking your the man,
'cause it's all part of my plan.
I-I I'm ready for you.

Nothing on, I shut her out.
I do it big, I shut it down.
I wonder if you'll be able to handle me.
Mental pictures, no camera's please.

(?)
Yeah I hear you talking.
Don't know who you tryna flatter.
I got my mind made up.
I-I I'm ready for you.
I'm in control but would you be in the main?
You don't seem to understand.
I-I I'm ready for you. (x3)
So keep thinking your the man,
'cause it's all part of my plan.
I-I I'm ready for you.

Red lipstick on the wine glass.
Cameras in my mind flash.

Black laghdurey, white diamonds; what a contrast.
I know you get impatient as the time pass.
You say you want it fast, define fast.
'Cause I could speed it up and make it last.
Or I could adition for this and i could be part of the
cast.
And i could produce for your future.
I could co-direct your past.
And make damn sure that you never forget it.
Committed.
I'm ready, I'm wit it.
Still here like a statue.
Pink champagne, green ink in your tattoos.
You say you got baggage,
Well I'm packed too.
Plus, I got a sex pistol pointed right at you.
BANG!
Baddest woman ever in the heart of south.
Proving over and over again.
That's why I'm hard to doubt.
Plus, I'm Young Money to the death.
I took the Carter out.
I'm more than ready too,
Hope it's something that you thought about.
