[Gucci Mane]

Iâ€™m so fuckin dumb I wear diamonds on my thumbs,
thereâ€™s a diamond on my dick so thereâ€™s a diamond
on her tongue,
i canâ€™t feel you baby cause I romantically numb,
emotionally drained I came here just so I can come,
thereâ€™s nothing on the God son that I havenâ€™t done,
I got a lot of problems, getting pussy just isnâ€™t one,
girls are like buses every 15 min they run,
now they like potato chips I just canâ€™t have one,
and I might like you for a minute,
but I donâ€™t like your friends in my business,
and I feel like you donâ€™t deserve a visit,
cause you ainâ€™t in the kitchen when you want a
whipping

[Drake] (Chorus)

uh, uh ahhhh,
I know you say you love me girl,
I know you say you love me girl,
problem is you prol tell that shit to everybody,
so we hear you talking boo but we just donâ€™t believe
you

uh, ok Iâ€™m all about it, all for it,
Iâ€™m all star team Jordan, small forward,
Iâ€™m never putting up a shot unless it calls for it,
no hesitation so Iâ€™m shooting if i draw for it,
how how (?) fuck is up, now man Iâ€™m in this hoe,
life is moving fast, where the fuck do all these minutes
go,
mixtape dropped then I started getting 10 a show,
now I get a hundred what the fuck you think Iâ€™m in it
for,
Young money forever, i bet Gudda, Jay and Mack
agree,
fuck you to the haters that just spend their time
attacking me,
shout out to your girlfriend nigga lately she distracting
me,
wondering if Iâ€™m the best, Well-I-am, no Black Eyed

Peas,
girls wanna f-ck your niggas, guy don't wanna be you,
lining up around the block so that they can get to see
you,
I feel like I find a wife exactly when I need to,
so you can say whatever girl but we just don't believe
you,

[Chorus]

[Sean Garrett]

Ain't that your girl,
ain't that your money,
ain't you the same nigga that say she want you that
you funny,
ain't you a gangsta, yeah funny,
you gave em funny, gave you to you, fucking dummy,
classic line, bitches run like buses,
gucci say niggas asking why, why you with my girl,
she let me get it nigga,
she ain't stupid, go turn up your radio,
I'm the next young Lionel Richie,
i gives a fuck about doing a fucking cameo,
we don't love em, we don't love em, we don't love
em, NO!
they just love us, they just love us, cos we stack them
O's
cos we whip it, watch her whip it when she whip it all
thats gon hit, once they mention catching feelings two
word don't go

[Drake]

Uh UHHHHHHHHHHHHHHHHHHHH
I know you say you love me girrrrrrrrrl,
I know you say you love me girrrrrrrrrl,
PROBLEM IS YOU PROL TELL THAT SHIT TO EVERYBODY,
