[Drake:]

Atlanta girls, let me see your hands
wave em at them bitches hating on you with their
friends
girl you got it
let em know that everything big
nail done, hair done, everything did

And my NY girls let me see your hands
wave em at them bitches hating on you with their
friends
girl you got it
let em know that everything big
nail done, hair done, everything did

And my LA girls, let me see your hands
wave em at them bitches hating on you with their
friends
girl you got it
let em know that everything big
nails done, hair done, everything did

And my TO girls, let me see your hands
wave em at them bitches hating on you with their
friends
girl you got it
let em know that everything big
nail done, hair done, nail done, hair done

[Swizz Beats:]

Say go Cinderella
go Cinderella
orgasm blush

lipstick and concealer
devil in a tight dress
girl you a killer and aint nobody realer
and aint nobody realer
go, go, go, go, go, go, go, go
showtime
go, go, go, go
as we proceed

[Drake:]
Uh, 5 and a half em boys
ass is off the hook
Cinderella bout to lose the glass off her foot
and when I find it is when I find you
and we can do the things we never got the time to
better late than never
but never late is better
they tell me time is money, well we'll spend it together
I'm down for whatever
you just lead the way
we go to dinner you don't even look at me to pay
mature women with more than me were the first to
tempt me
and Jason had this girl Tammy with a purple Bentley
how she got it I aint never get to ask
I just knew that she was fine like a ticket on the dash
yeah, but shout out to the homeowners
the girls that got diplomas
and enough money to loan us a little something extra
should we ever need it
if it sounds like you then let me hear you repeat it
