[Drake - Chorus]

Emotions in this game run deep,
So before they say this to me in my sleep,
I'd like to say it's been a pleasure,
Repping to my last second dude,
Done a lot of sh-t they never get to do,
I'd like to say it's been a pleasure,
Honored to be somebody they mention,
But before these n-ggas stop paying attention...
I just say it's been a pleasure,
You'll never be somebody they need
Tomorrow aint guaranteed so tonight we gon do it like
this,

[Singing]

Like ohhhh...
For the A-Town, tonight I'm going to let somebody go
For the A-Town

[Verse 1]

Uhh, set up the occasion,
I'm up in the place in,
If amazing was a young b-tch,
I be going to jail cuz I be f-cking amazing,
what's up in the taking,
I'm ready and I'm willing, why the f-ck are we waiting,
Yeah, and baby you should bring your best friend,
Then you should persuade her to let me get some sex
in,
Don't get offended baby that's just a suggestion,
Really we can do it like however you like,
I'm probably in your hotel tonight,
Whatever floor that me and 40 staying on is smelling
riiight,
Yeah, just know we grinding til it's light out,
Show up in your city turn that muthaf-cker right out,
Yeah, tell me who controls kings,
I don't follow rules, stupid old things,
I'm riding through the city in the coupe with those
wings,
My team deserves some muthaf-cking superbowl rings,

Oh yeah, and I know we gon get it,
Me and Jeezy bout it shorty holla if you wit it,
Even though I want it to this sh-t don't last forever,
But better late than never, honestly I'd like to say it's
been a pleasure,

[Chorus]

[Singing]

Like ohhhh...

For the A-Town, tonight I'm going to let somebody go

For the A-Town

[End]
