(Bridge)

I know way too many people here right now  
That I didnt know last year, who the fuck are yall?  
I swear it feels like the last few nights  
We been everywhere, back  
But I just cant remember it all

(Chorus)

What am I doin'? What am I doin'?  
Oh, yeah, thats right, Im doin me  
Im doin me  
Im livin life right now, mayne

And this what Ima do til its over  
Til its over  
But its far from over

(Verse 1)

Bottles on me, long as someone drink it  
Never drop the ball, fuck are yall thinkin?  
Makin sure the Young Money ship is never sinkin  
Bout to set it off in this bitch, Jada Pinkett  
I shouldnt've drove, tell me how Im gettin home  
You too fine to be layin down in bed alone  
I could teach you how to speak my language, Rosetta  
Stone  
I swear this life is like the sweetest thing Ive ever known  
Bout to go Thriller Mike Jackson on these niggas  
All I needs a fucking red jacket with some zippers  
Super good smiddoke, a package of the swishers  
I did it overnight, it couldnt happen any quicker  
Yall know them? Well, fuck it, me either  
But point the biggest skeptic out, Ill make him a  
believer  
It wouldnt be the first time I done it, throwin hundreds  
When I should be throwin ones, bitch, I run it Ahhhh!

(Bridge)

(Verse 2)

One thing bout music, when it hits you feel no pain  
And I swear I got that shit that make these bitches go  
insane  
So they tell me that they love me, I know better than  
that, its just game  
Its just what comes with the fame, and Im ready for  
that, Im just sayin  
But I really cant complain, everything is kosher  
Two thumbs up, Ebert and Roeper  
I really cant see the end getting any closer  
But I prolly still be the man when everything is over  
So Im riding through the city with my high beams on  
Can you see me? Can you see me? Get your Vizsine on  
Yall just do not fit the picture, turn your widescreen on  
If you thinkin Ima quit before I die, dream on  
Man, they treat me like a legend, am I really this cold?  
Im really too young to be feelin this old  
Its about time you admit it, who you kiddin, man?  
nobodys never done it like I did it Ahh!

(Bridge)
