Verse 1:

Things have been so crazy and hectic.  
I should've gotten back by now.  
But you know how much I wanted to make it.  
It's probably better anyhow.

Chorus:

So if you gotta go,  
If there's anything I should know,  
If the spotlight makes you nervous,  
If you're looking for a purpose,

Bridge:

You put the tea in the kettle and light it.  
Put your hand on the metal and feel it.  
But do you even feel it anymore?  
I remember when you thought I was joking.  
Now I'm out singing Karaoke.  
Further than I've ever been.

Chorus:

So if you gotta go,  
If there's any way I can help,

Verse 2:

Isn't it ironic that the girl I wanna marry is a wedding  
planner?  
It tells me my life is too much and then it moves to  
Atlanta.

Dang

Of all the places you could go,  
I just thought you choose somewhere that had  
somebody that you know.  
I'm always up too late,  
I worry 'bout you when you're alone.  
And that place you call your home,  
Warm nights and cold Petrone.  
I hope you don't get known for something crazy.  
Cuz no man wants to hear stories bout his lady.  
I know they say the first love is the sweetest.  
But that first cut is the deepest.  
I tried to keep us together.  
You were busy keeping secrets  
You would tell everybody but me.  
Don't be fooled by the money,  
I'm still just young and unlucky.

(I'm surprised you couldn't tell.)  
I was only tryna get ahead. (x2)  
But the spotlight makes you nervous.  
And you're looking for a purpose.  
I was only tryna get ahead. (x2)  
But the spotlight makes you nervous.
