Man, fuck it I was on though  
And I thought I found the girl of my dreams at the strip  
club  
Fuck it I was wrong though  
Shout out to all my niggas living tax free  
Nowadays it's six figures when they tax me  
Oh well, guess you lose some and win some  
Long as the outcome is income  
You know I want it all and then some  
Shout out to all my asian girls Dim sum  
Shots came I don't know where they descend from  
Probably some bad hoes I'm bout to take ya hem from

Yeah, you know me well, nigga  
I mean you ain't the only the real nigga  
They got me on these white women like seal, nigga

Slave to the pussy, but I'm just playing the field, nigga

Yeah, are these people really discussing my career  
again?  
Asking about me going platinum in a year again  
Don't I got that shit the world wanna hear again?  
Don't Michael Jordan still got his hoop earring in?

Man all of your flows just bore me... paint drying  
I don't never be trippin off of what ain't mine  
I be hearing the shit that you say through the grape  
vine  
But jealousy is just love and hate at the same time

Yeah, it's been that way from the beginning  
I just been playing ain notice I was winning  
And this is the only sound you should fear  
And the kids wearing crowns over here and everything  
is alright
