they say when u lov some one you dont play

but if true then you lost 2 your game
when you was stricking out erick wat at first base
but you hit home when i fill for your lies and thort you
was here stay
ya but you here but you dont lison
"fucked up with this bitch"
an now iam the one you missin
i gess now i no wat da true meaning of comor is
but ya you hadd me rap around your finger like a shoe
string
i was blound to the fact that you was using me
but i ant dum deep fuckin kill on me to the end leve u
since i lost u i been on my o.g shit t2
thinkin dat you would pick me over y.g was just to much
fo4 you to do
but whos u,
i just keep asking my self
"no body"
lucky t2 have a bitch that would give u every thing i had
nothing lest more then i could
but u just wish i would
but i just wish u would
see thing like i see them
open to lik a book and tell the story like they are
no more lies cuz i ant trying to go that far
but diz iz just wat i get for fallin in love with a rebound
my cross game jump shot ant nothing for diz bitchz
but u was just a beginner facein up
to a winner and she was just a hitter
lok for a hit and run
but i gess when shit is don it ant nothing u can do about
it
but i grow up about

never cry about
cuz when some one ceats
the only thing u can do about is it walk up out it .

like dam
this is were iam

this is were we end
i ant never ever goon forgett
and ima just hopeing that you with it when i tell that
we finshhhhh
we finshhhhhh
you lookin side ways

but dam i gess i should have seen this shit comeing
but we wasing
and you wasing the one i was in love with
exlse i was anossee
ummmmm
but
i could tell it wasing love you was just some one i fuck
with
i was thinking one
but you was thinking
me keya meshel and litte tonyea and many other bitches
but im with it if you with
tell bitch to bring a kind dip
if you on go you then whos in
cuz to night ima going off with like
