"Make It Go"

Visit "[Make It Go](#)" on MotoLyrics.com

(HOOK)

She can make it go, bring it high ,
bring it down take it low, then make it go.
she can make it go,
start off going fast but then she take it slow
then make it go
she can make it
(she make it, then it sound like(sound like)(4X))

(VERSE)[Belly]

Now baby. now baby, you know just who i am
you heard that shit with kurupt, girl im the fuckin man
i know you got a dude, but he dont understand
i take you to a island. he cant even buy you sand
i put it down right(down right)
me i need a queen to wear that crown right(crown
right)
i can turn your long days into loud nights
girl i flip it turn it over touch it make it sound like(sound
like)
when it come to the pussy im a condeseur
i can fuck you till, your a lot more than kinda sore
girl im a dog with a bone like a dinosaur
i make you scream, grind your teeth, make you climb
the walls
so fly you defy the law

(HOOK)

She can make it go, bring it high ,
bring it down take it low, then make it go.
she can make it go,

start off going fast but then she take it slow
then make it go
she can make it
(she make it, then it sound like(sound like)(4X))

(VERSE 2)[Drake]

I tell her , I tell her we not just any guys ,
I bet they go for a reason , no need to empathize ,
I tell patron truths, I tell you any lies,

and you believe them all , I can see it in your eyes,
I take you down like(down like)
me without no money that don't sound
right(sound right)
I could put you on inside a town flight
and even never driver pick you up girl what that sound
like(sound like)
I gets big, big money all this money
I don't even know what to call this hunny ,
take so long just to get to the point when you rich
and you there and it's all so funny,
I stunt so they can see me and there for they should
know,
they call me drizzy baby
wanna see you make it go

(HOOK)

She can make it go, bring it high ,
bring it down take it low, then make it go.
she can make it go,
start off going fast but then she take it slow
then make it go
she can make it
(she make it, then it sound like(sound like)(4X))
