[Woman on phone]

Hello

Yeah I just walked in

Yeah I'm good you still working?

tonight, right now?

'Did I go out' yeah I went out

I went, I went to a couple of clubs

I never went to bed

shit... wine or water

you should see someone about a cold drink

I don't know, I'm delirious... night

[Drake - Verse 1]

Cups of the Rose

Bitches in my old phone

I should call one and go home

I've been in this club too long

The woman that I would try

Is happy with a good guy

But I've been drinking so much

That I'ma call her anyway and say

"F-ck that nigga that you love so bad

I know you still think about the times we had"

I say "f-ck that nigga that you think you found

And since you picked up I know he's not around"

(Are you drunk right now?)

I'm just sayin', you could do better

Tell me have you heard that lately?

I'm just sayin' you could do better

And I'll start hatin', only if you make me

[JoJo - Verse 2]

Right

I ran into your homeboys

They're all fucking idiots

You're not even my boyfriend

But you're tripping cause I'm in the club

Yeah that's right I'm dancing

And something cool is in my cup

I'ma send a sexy picture

To remind you what you've given up

Fuck that new girl that you like so bad
She's not crazy like me I bet you like that
I said fuck that new girl that's been in your bed
And when you're in her I know I'm in your head
I mean, I'm just saying you can do better
Always turned you out every time we were together
Once you had the best boy, you can't do better
Baby I'm the best so you can't do better

[Chris Brown - Verse 3]

He's saying he's your best friend
And he's always the one in your ear
I know that he been waiting
To get my ass up out of here
It's been a couple months now
Baby I am not suprised
But I'm a real nigga
Girl, how you gone take his side
I bet if I lick that spot then you won't act like that
I miss giving you them back shots, girl you remember
that
Baby and I'd be damned if I let him take my place
Don't listen to what that nigga say
Cus' he's just saying you could do better
And baby all I'm saying is he sound like a hater
And baby he could just f-ck off and do us a favor
Mind your business, nigga stop being a hater

[Drake - Verse 4]

Uhh, we threw a party, yeah we threw a party
Bitches came over, yeah, we threw a party
I was just calling cause they were just leaving
Talk to me please, don't have much to believe in
I need you right now, are you down to listen to me?
Too many drinks have been given to me
I got some women that's living off me
Paid for their flights and hotels I'm ashamed
Bet that you know them, I won't say no names
After a while girl they all seem the same
I've had sex four times this week I'll explain
Having a hard time adjusting to fame
Sprite in that mixture, I've been talking crazy girl
I'm lucky that you picked up
Lucky that you stayed on
I need someone to put this weight on

[Drake and Woman on phone]

Well I'm sorry
Are you drunk right now?
I'm just sayin', you could do better
Tell me have you heard that lately

I'm just sayin' you could do better
And I'll start hatin', only if you make me
[Drake on phone]
You're not going to come?
Guess I'm bout to just kick it here then...
Just throw up while I hold your hair back
Her white friend said "you niggas crazy"
I hope no one heard that
I hope no one heard that
Cause if they did, we gon be in some trouble
