I fly with the stars in the skies
I am no longer trying to survive
I believe that life is a prize
But to live doesn't mean you're alive

Don't worry about me & who I fire
I get what I desire
It's my empire
And yes, I call the shots, I am the umpire
I sprinkle holy water upon the vampire

In this very moment I'm king
In this very moment I slayed Goliath with a sling
This very moment I bring
put it on everything, that I will retire with the ring
and I will retire with the crown, Yes
no I'm not lucky I'm blessed, Yes
clap for the heavyweight champ, Me
but I couldn't do it all alone, We
Young Money raised me, grew up out in Baisley
Southside Jamaica, Queens and it's crazy
cuz I'm still hood, Hollywood couldn't change me
shout out to my haters, sorry that you couldn't faze me
Aint being cocky, we just vindicated
Best believe that when we done this moment will be
syndicated
I don't know, this night just remind me of
Everything they deprived me of
P-p-p-put your drinks up
It's a celebration every time we link up
We done did everything they could think of
Gr-Greatness is what we on the brink of

[Chorus]

I wish that I could have this moment 4 life, 4 life, 4 life
In this moment, i just feel so alive, alive, alive
I wish that I could have this moment 4 life, 4 life, 4 life (
I could have this moment x3)
This is my moment, I just feel so alive (I could have this
moment x3)

[Drake]

I'm really tryna make it more than what it is, cause
everybody dies but not everybody lives, Ahhh

[Chorus]

This is my moment

I waited all my

Life, I can tell it's time

Drifting away I'm

One with the sunset

I have become alive

I wish that I can have this moment 4 life, 4 life, 4 life

Cause in this moment I just feel so alive, alive, alive

I wish that I could have this moment 4 life, 4 life, 4 life

In this moment, i just feel so alive, alive, alive
