(DRAKE)

spendin every moment in the studio
i neva said it be fair
but when your all alone i hope you truly know
how bad i wanna be there

(CHORUS)

come right in
set your bag down
took a night off for you
go ahead and
turn the lights off
but keep your heels on
their fittin for what im about ta do oh

no you aint explainin how you want it done
how i want it done
just be quiet ill do fine witout your help gurl
can you work witout a second for some fun
now you finally got a moment for yourself gurl
and i kno wat to do wit it X4

(LLOYD)

ive been waitin for so long to get you all alone
now i finally got you right here
so baby ima lock ma door and disconnect my fone
cause i wanna make one thing clear i want you

on top so let your hair down
i took the night off for you
gurl im gonna
turn the lights off
but keep your heels on
theyre fittin for wat were about to do oh

(CHORUS)

come right in
set your bag down
took a night off for you
go ahead and
turn the lights off
but keep your heels on

their fittin for what im about ta do oh

no you aint explainin how you want it done
how i want it done
just be quiet ill do fine witout your help gurl
can you work witout a second for some fun
now you finally got a moment for yourself gurl
and i kno wat to do wit it X4

o0h iitsz 6oclock in the morning at the studio
