Aye, Aye, Aye, Aye

Me plus you (I'm a tell you one time)  
Me plus you (I'm a tell you one time)  
Me plus you (I'm a tell you one time)

One time, One time

When I met this girl my heart went knock, knock  
Now them butterflies in my stomach won't stop, stop  
And even though it's a struggle,  
Love it all we got .  
So we gon' keep, keep climbing to the mountain top  
(oh)  
Your world is my world.  
And my fight is your fight.  
My breath is your breath  
And you heard? You're my life

You're my one love.  
My one heart.  
My one life for sure, lemme tell you one time  
Girl I love, girl I love you  
I'm a tell you one time (girl I love, girl I love you)  
And I'm a be your one guy,  
You'll be my number one girl  
Always making time for you  
I'm a tell you one time (girl I love, girl I love you)  
I'm a tell you one time (girl I love, girl I love you)

(Hey) you look so deep, you know that it humbles me  
You by my side, it trouble them that trouble me  
Many have called, but the chosen is you  
Whatever you want shawdy, I'll give it to you  
Your world is my world.  
And my fight is your fight.  
My breath is your breath  
And you heard? You're my life

You're my one love.

My one heart.  
My one life for sure, lemme tell you one time  
Girl I love, girl I love you  
I'm a tell you one time (girl I love, girl I love you)  
And I'm a be your one guy,  
You'll be my number one girl  
Always making time for you  
I'm a tell you one time (girl I love, girl I love you)  
I'm a tell you one time (girl I love, girl I love you)

Shawdy right there,  
She's got everything I need  
And I'm a tell her one time (one time, one time)  
Give you everything you need  
Down to my last dime  
She makes me happy, I know where I'll be  
Right by your side 'cause  
She is the one for me

And girl, You're my one love.  
My one heart.  
My one life for sure, lemme tell you one time  
Girl I love, girl I love you  
I'm a tell you one time (girl I love, girl I love you)  
And I'm a be your one guy,  
You'll be my number one girl  
Always making time for you  
I'm a tell you one time (girl I love, girl I love you)  
I'm a tell you one time (girl I love, girl I love you)
