wouldve came back for you
i just needed time
to do what i had to do
caught in the life
i cant let it go
weather thats right
i wont never know
hope you forgive me
never meant wrong
tryed to be patient
and waited to long
but i wouldve came back
but i wouldve came back for you
wouldve came back
wouldve came back

VERSE:

i talk slicker than a pimp from augusta who just had his
linen suit dry cleaned bitches whats up with ya
i hate calling the women bitches but the bitches love it
i took some sense and made a nigga love it
im urging all daughters to kiss they mothers
with those lips that all that lipstick covers
you never to grown up to miss and hug her
and girls countin on me to be there like missing
rubbers
im on some marvin gay shit a bunch of distant lovers
this aint the life that im use to
re introduced to people ive been introduced to
did you forget me
or are you to scared to tell me that you met and feel
that i wont remember..i wish you could just accept me
for me
i miss memphis tennessee
my cousin my dad
that symplicity beauty that all of those southerners had
im half way around the world with dozens of bags
feeling like all 4 members are calling me bad
and one nigga amazing shit
i got that courtney love for you that crazy shit
i dont drink every bottle i own i be aging shit
and i got them wedding ring flows that engaging shit
which one of yall got feets on your keychains

and seats for these heat games
i really think that you stair at yourself and you see
things
lie.familiar.i been inducted and instructed to stunt on
these nigga we dont really fuck it.fuck is up
having lunch and debating farrari prices
23 and going through a mid life crisis
but trust me i still deliver like a mid wife
and no im not saying im the nicest
i just live like fly kid
it take a certain type of man to teach
to be far from hood but to understand the streets
i never threw away that paper with my grammy speech
because i havent hit the pentecals i plan to reach
yea..you got to own it if you want it
kisses are on her body
she tells me live in the moment
and baby ill never forget none of that
girl i told you i was coming back..i

wouLdve came back for you
i just needed time
to do what i had to do
caught in the life
i cant let it go
weather thats right
i wont never know..ooo
hope you forgive me
never meant wrong
tried to be patient
and waited to long
but i wouldve came back
but i wouldve came back for you
wouldve came back
wouldve came back!!
