[Drake]

Yea
Drizzy baby
You already know who it is
It's the first time I'm high
It's the first time I smoked in like 3 months
I'm sorry mom, I had to do it to em
Forty I see you
O I see you homie
I stay late tonight right
You know what happen when I stay late
Yea
Boy Wonder
I swear it's like this every single time
Toronto I gotchu
I got us

I'm hard guy to get along wit
Get on the song wit
Wish it be going right
Well I flip it to the wrong shit

The team I belong to
The artist I put on with
We don't ever ask for nuttin cuz dem niggas got there
own shit
Me and Weezy are like a mouth full of hot peppers
Black Ferrari with the red seats I call it playin checkers
I'm never doing verses
I'm foreva giving lectures
If you trying to meet with money
I be happy to connect ya
Life is better than it's ever been
Schedulin' million dollar meetings with the President
Someone cut the lights on
Where is Thomas Edision
Gotta a new condo
Watch me as a settle in
I deserve a MTV show for me and my people
And if you tryin to zone I got a whole swisha sweet for
Rappers are liars and their women are deceitful

Add in today's subtract me
I never be a equal
Last place Drizzy is the nigga in the league now
Weezy told me just write every single thing you need
down
And he got it for me and I'm as happy can be now
Bout to start ballin' like I'm coming off a rebound
Yea, and I should have the most braggin' rights
Because the nigga spit crack, bag it tight
Hate when rappers say they tryna get the swagger
right
Cuz I'd came on more fire than a dragon fight
Fuck u pussy ass hater you should do you
You aint heard of me then you should go in get a blues
clue
Oops I'm mean a red clue
Wayne's here su-woo
Bet he felt that like the end of a pool cue
But I aint bangin, I aint waving no flag
I'm ATF but they aint seeing no badge
It's heartbreak Drake
I hate to see him so sad
I can son you
See a little me and your dad
I'm the same yellow boy that used to play up on
Degrassi
Can pocket 20 thousand to be anywhere they ask me
Cash like Johnny
Banks like Ashley
Burn it like a camel light stupid hoe ash me
But don't ask me shit about me
And know the game really ain't shit witout me
She might have to pay me but I dick her down free
Wanna know if it's da truth then pull da zipper down
and see

No homo though

[Lil Wayne]

Yea

Ummmm

I'm going in

Drizzy I got us
This is my promise
Ima bring the barrel to dem bitches eyelinas
And what I make up will fuck up your skin
I pick the buck up and buck-buck then buck-buck again

I will dry fuck your friend
Then suck up her twin
I put the buck-up to him
Then buck-buck and buck-buck and buck-buck again
Suck nut u duck fuck your unlovin' kin
Now don't rub it in
Like lubiderm on a new tattoo I had to
Kick my princess up out my castle
Dad who? never had dat dude
Always had a black tool
Even when I was at school
Cuz bullies aren't bullet-proof
Red scarf hoody too
Probably ain't as hood as you
Stupid muthafucka only thing in the hood is you
I do everything as good as you
No I do everything better
I get paid for every letter
A, B, C, etc
Fetch a bone
Like a dog muthafucka I am gone
For your neck
In a sec
Intercept
Bring it back like work in a trunk
And my exit coming up yo I am headin to buck like
Buck-Buck again
Might fly to L.A and just fuck Karrine
Nahh fuck Karrine
Lets get bucks again
And fuckin spend dem bucks
And then
Just fuck Karrine
If I told ya imma do it I did it
Got my city on my fitted
Bout a pop a lets get it
Lets get it muthafucka
Whatcha waitin on
It is bout a minute past pissed
Imma bout to get shitted
I'm wit it if money is the it, you want me wit
And I probably just spit on the chick you wont be wit
And I hate a boney bitch only like I'm only thick
And I own hip-hop, if you don't spit I'm going evict
And I should sold a lot of property to a buyer
And I think his name was kinda like Drake Drizzy Rogers
Or Drizzy Drake Rogers
I'm to busy to play father
And when it comes to the game I'm to willing to play
harder
So harder I do

There he go
They chant MVP
When I shoot a free throw
C.E.O
Jazz what it do
Now haters on there face
And then there ass is a shoe
Faster than you
Badder than you
Rader than you, etc
I told ya, I get paid buy the letter like
A B C D E F G H I J K L M N O P Q R S T U V W X Y Z
ZZ-top
Yes he rock
And me and Drizzy both wrote on detox
That was just a foot note
How long can he could he go
Wondering when he stop
Bitch when the beat stop
So ima keep rock-in to the sheet rock
Bend in the heat
I send burn skin

The End

Young Moula Baby
